# ABOUT

Dr. MyRon Edmonds is regarded as one of the most fearless speakers and transformational leaders of this generation. MyRon is a world renowned speaker, author, professor, Air Force Chaplain and pastor. MyRon's message and mission is to help leaders to win in the areas that matter the most. This passion is fueled by his personal experience of winning professionally but failing personally as a husband, father, and man of faith. MyRon firmly believes that integrity is the source of true success. He believes, "integrity is more than honesty, it's the defiance of mediocrity in every area of your life...especially the areas that matter the most." MyRon's clarion call to leaders to embrace integrity and vulnerability has resonated with thousands of people and sparked a movement especially among professional men to win in what matters the most.

MyRon is the CEO and principal speaker for MyRon Edmonds Leadership Group. MyRon and his team have produced top level resources that help train and develop leaders to leverage their personal experiences into success stories. He is a transformational speaker, leadership coach and organizational consultant. He has served as an Adjunct Professor for Urban Leadership and Development and also serves as an instructor with Corporate Continuing Education. Dr Edmonds has spoken for and consulted with the Cleveland Guardians (formerly Cleveland Indians), FedEx, ABSA bank, United States Air Force, countless schools, universities and organizations across the world. MyRon has more than 20 years of experience as a Consultant in Leadership Development with a variety of public and private organizations.

# TESTIMONIALS

- Sydney A. Merz, Ph.D. Sydney A. Merz, Ph.D. Learning | Leadership Development | Evaluation | DEIJ Advocate

"MyRon was engaging, real, genuine, and provided real-life examples that connected with folks. His energy is contagious and I hope others have the opportunity to learn from and with MyRon!"

- KELLI THOMAS FedEx Custom Critical

"I came for the message and left motivated with a mission!! Dr. Edmonds spoke at our FedEx Custom Critical Black Professionals luncheon recently and he did not disappoint. His ability to connect with the audience while weaving a message through a story was fantastic and received positive reviews. His style was engaging, energetic and I might add humorous. I would without hesitation recommend Dr. Edmonds for your next speaking engagement."
